CLOSING GOODIES PACKAGE

This package is to be sent to the Client immediately after they occupy their new home. It is important not to send it prior to occupancy as it would not have the same effect. Most of the time we hand deliver the package to the client but there may be times when it is mailed out. The contents is put in a white box with colorful tissue paper. The exterior of the box is wrapped in festive ribbon with a note that reads as follows:

Our goal is to provide you with the best possible service and maintain your valued confidence. Please let us know if there is anything more we can do for you.

We appreciate Our Association With You
