"She said she'd call me in the morning....

That first night was wonderful! All the promises, all the excitement! Yes, this was really going to work. But...She lost interest. Very soon, the initial excitement died and then she stopped calling. If I wanted to find out what was going on, I had to call. It was suppose to be a moving experience, but now, my house remains unsold and here I sit. I should have listened. It really does make a difference which Realtor you choose to sell your home. It makes so much sense to me now....

I should have called the Cathy Russell Team first!"
