WE HAVE A TEAM OF **11** SPECIALISTS TO SERVE YOU!!

Think for a minute...this is *just a few* of the things that need to be handled, from the time a property is listed, to the time the property is closed. Look at the process as a *Tug of War!* We are pulled in so many directions. Who do you want pulling for you? Do you want the *single realtor* trying to do everything or a *Team of Specialists* to handle the sale of your home? It is broken down into systems, with each person doing his/her part. Using ***The Accent Team*** approach, we average over 170 closed transactions a year, not 8 like the average realtor.
