Dear Steve and Marilyn,

Just a quick note to follow up on the letters I have recently sent you. When listing your house for a second time, selecting the right agent is crucial! I utilize a team approach with unique marketing systems and the latest technology to sell your home quickly for top dollar. Much like any other professional service your need in your life, you go to a professional because that is their expertise. SELLING HOMES IS OURS!

In my 30+ years of real estate sales, real estate publications and real training companies have come to me to help in education others to success. Here are some of the organizations that I have shared successful real estate practices with: National Association of Realtors National Convention, Certified Residential Specialists "Sellabration", Star Power Systems National Conference, iSucceed.com, Minnesota Association of Realtors State Convention, Minneapolis Association of Realtor Continuing Education, and other real estate training of regional real estate companies.

I have also had articles published on real estate in the following publications:
Real Estate Today, Real Estate Business, The Real Estate Professional, Realtor Magazine, The Certified Residential Specialist, Minnesota Realtors, Chicago Tribune, StarTribune, The Pioneer Press, Minnesota Monthly, Twin Cities Magazine, Finance and Commerce, & Closing Thoughts.

Awarded ***Super Real Estate Agent*** by Mpls St. Paul Magazine for the 5th year in a row and from the inception of the award. Less than 1% of licensed Minnesota real estate agents receive this award. What does this mean to you? When you hire me to get your home SOLD you are getting a seasoned, knowledgable agent that has be researched by an independent research firm as one of the best real estate agents in the Twin Cities. When can I go to work for you?

Sincerely,

Stephen H. Westmark
