Your Home Has Expired Again

Dear Mr. Brinton

We have talked the last two times your home expired unsold and you did not hire me.

In the past six months since you listed the last time, I have sold 56 homes. Perhaps if you had listed with me, yours would have been one of them.

I specialize in selling homes that other real estate companies could not sell and I would love to show you my plan for selling your home.

If you are truly ready to get serious about getting the home sold, call me now and let's discuss what it will take to get you to a closing.
