Is Your Mindset Normal?

NORMAL	THE TOP PRODUCER MINDSET
What is wrong with the world	What is right in the world
There is not enough left for me	There is plenty to go around
I am not enough	I am well qualified and more than enough
I am in constant competition	I wake up each day inspired
I need to fight for my share	I share my talents with others
I use others to get what I want	I create what I desire and have a vision of the future
Connection with lower self	I am awareness of both my lower and higher self
Money and things are the cause	Money and things are the effect of helping others
Force and struggle	Ease and grace
Disorganization and chaos	Wealth follows order
Money is the root of all evil	My ability to tithe and donate time is a blessing
Work hard and push	My creative energy makes a difference in the world
I am bitter	I am grateful
I lack energy and am so unhappy	I am healthy, wealthy, happy and loved
I will never make it	I am a top producer
