Hello neighbor, I'm "your name", your local (add your farm neighborhood name) expert @ "your website" and (add your company name).

Local (you neighborhood) YouTube Stars

I am creating a neighborhood video to post onto YouTube to highlight our great neighborhood, keep home values up, and share what a fantastic area this is to call home!

I'd like to include real life photos of people enjoying our wonderful neighborhood in the video. Do you have photos of yourself, friends, family, or pets enjoying (name of neighborhood) or nearby attractions?

Please send an email to (my email address) today and attach your fun neighborhood photos. I'll choose some and include them in our (your neighborhood farm) YouTube video. I'll be sure to send you the finished product!
