House Values

Hi (FIRSTNAME),

Have you ever had a Comparative Market Analysis (CMA)? This can work one of two ways:

1. If you are looking to sell a home I can pull updated stats for the area and properties that are either active, pending, sold or even expired.
2. If you are looking to buy in a specific area, we can look at the market trends for that area.

Let me know if you would like me to go over these reports with you or anyone else that may find this valuable.

I look forward to hearing from you,

Have you heard this on the News?

Hi (FIRSTNAME),

Have you heard in the news about the real estate market? Do you ever wonder what is true and what is not? I can be a sounding board for any questions you or any friends or family may have about real estate. Feel free to pass this email along to them as well.

Let me know if I can be of service,
