10 Year Past Client Plan Contact #18

Great Quote!

Hi (FIRSTNAME)

I just came across a great quote when I was reading the other day.

"Understand that happiness is not based on possessions, power, or prestige, but on relationships with people you love and respect."

-H. Jackson Brown, Jr.

I thought it was a great quote and I thought I would share it with you. Feel free to pass it along.

I hope you have an AWESOME day!
