10 Year Past Client Plan Contact #29, 57, 73, 101, 117

Relocation Specialist

Hi (FIRSTNAME)

I hope you enjoying the day! As I may have mentioned to you before, I have built my business through working with the friends and family of my clients. This also includes friends, family or colleagues that relocate here or are moving out of the area.

If you know anyone that may be moving or relocating, please let me know as I can help.

Thanks,

(AGENT SIGNATURE)
