10 Year Past Client Plan Contact #74

Have you heard this one?

Hi (FIRSTNAME)

There have been hundreds of inspiring people through history and many have left their legacy in words. Check this one out:

"When one door of happiness closes, another opens, but often we look so long at the closed door that we do not see the one that has been opened for us.'

-Helen Keller

Feel free to pass it along.

I hope you have an AWESOME day!
