Good afternoon Mr./Mrs. _____. My name is _____. I work with Judy Markowitz and the Energized Realty Group at RE/MAX Millennium. You may remember we're the realtors who recently sold a home near you/your neighborhood at [PROPERTY ADDRESS]. (You should have received a card/gift in the mail from Judy recently. The magnet calendar for your refrigerator? We hope you are enjoying that.) Anyway, I was just calling to see if you might be curious about how much that home sold for/is listed for/the market in the neighborhood/interested in a complimentary appraisal of your home, or if you might be thinking about moving or possibly selling your home/be interested in buying a home as an investment/know anyone thinking of selling or buying. If so, please don't hesitate to call me, _____, or Judy at 718-353-6000. That's the Energized Realty Group, _____, or Judy at 718-353-6000. Thanks and have a great day!
