36 Ways to Use Your Self-Intro and Attract Clients!

You already know your self-intro or "elevator pitch" can be used during networking. But you're missing out on opportunities to spread your message if you don't also include it in these 36 other places.

To discover how to craft a Jaw-Dropping Self-Intro that fits all these media and gets your audience to say, "OMG, I need your card!" check out our free webinar at JawDroppingMarketing.com.
