Home Evaluation Call Script

Hi I was looking for Tom…this is Tom…hi Tom this is [Your Name] over at [Your Realty] and I noticed you were online looking for some valuation information for your home over on Jones court, & I was just getting some market data info together for homes that have recently sold in your area, and I was wondering where I should email that over to later today?

Yes…

Great let me confirm your email address… Tom, so I can do a good job with this information can you confirm how many bedrooms and baths you have ..etc, etc…great!

When do you plan on moving?
